

Team 'Happy Gilmore' at the Mixed Open Tournament - Aug. 22nd

### What's up?

Curling registration is in full swing, as we enter our last 6 weeks of golf season. The weather has been MUCH better, which has been great for the club AND our golfers! In August we hosted the Kidsport golf tournament and held our club championships. Registration is open for our last club golf tournament. This edition of the newsletter is rather full, so read on for all the exciting info!

### Curling Registration!

Check out the pages in this month's newsletter regarding the upcoming curling season - there's a ton of info just for you! We are excited to welcome you back to the club very soon, and to meet our new members!

### Parking Reduction

Please note that parking in the club parking lot is temporarily reduced due to the city water tower refurbishment.

## September Fall Pro Shop Sale!

Logos of Travis Mathew, Callaway, OGIO, and Levelwear.

As we move further into the month, we will begin raising the height of cut on the greens. We will also be completing our year-end cultural practices, including core aeration. These practices are extremely important for maintaining healthy greens and setting them up to come through the winter in the best possible condition. Moisture management is also extremely important at this time of year. Too much moisture can create the perfect environment for disease and other turf issues, while too little moisture can lead to drought stress and prevent the plants from properly preparing for dormancy. Finding that balance will be a key focus throughout September.

## Course Update 🚩 - Continued...

Another important part of our fall preparation is our preventative fungicide program. We typically make applications around the middle and again toward the end of the month. These applications are designed to protect the turf as temperatures begin to cool and conditions become more favourable for certain diseases. Naturally, as we progress through September and the temperatures continue to fall, the turf will gradually begin to slow its growth. Cooler nights and the arrival of frost will eventually trigger the plants to move toward dormancy. Our goal is to have the turf as healthy and prepared as possible before that happens.

After everything the weather has thrown at us this summer, here's hoping September brings us some warm temperatures, plenty of sunshine, and many beautiful days for golf!

Enjoy the course, and thanks as always for your support.

### *President's Message*

What a difference a little sunshine makes. After the record rainfall we slogged through in June and July, it's been fantastic to finally see the course dry out and come back to life. A huge thank-you goes to Adam, Jerry, and their entire crew—they worked tirelessly (and sometimes ankle-deep) to get the course back into great playing condition as quickly as humanly possible. Their efforts didn't go unnoticed, and we're grateful for everything they've done.

The season is flying by, and like many of you, I'm out there trying to squeeze in as many rounds as possible before the dreaded winter arrives. Although, depending on who you ask, winter is either a tragedy or a celebration—so I'll let you decide which camp you fall into. As we enjoy these beautiful late-summer days, we're also inching closer to our Annual General Meeting in November. The exact date will be announced soon, but I want to remind everyone that we will have several board positions available for the upcoming season. If you're interested in contributing to the future of both golf and curling at our club, please reach out to Adam or me. We're happy to share what the roles involve and answer any questions. We're looking for people who want to make an impact, bring fresh ideas, and help guide the club forward.

In the meantime, get out there and enjoy the wonderful weather and the course while it's at its best. And one more thing—who's in for the President's Cup? We're looking to defend our win from last year, and I'm counting on you!

See you on the fairways,

Denise Unger  
President,  
Fort Saskatchewan Golf & Curling Club

## **Mixed Open Tournament**

Once again the ever-popular Mixed Open Tournament was completely sold out! A giant thank you to everyone who played, cheered, and brought the energy the entire day. The competition was friendly, but fierce. The smiles on and off the course said it all! Thank you again to Pot's Bar & Grill for their continued sponsorship of this amazing annual event. Be sure to check out our social media pages for all the pics and videos of the day! Congratulations to the 2026 winners!

## Join the Board: Shape the Future of Your Club!

We will be filling a few vacancies on the Board of Directors at our upcoming AGM in November. Serving on the board is a great way to share your talents, lend your voice, and support the ongoing success of our club community. More details on the nomination process will be shared soon. To find out more about this opportunity reach out to General Manager Adam or Club President Denise Unger.

# Volunteers needed

**VOLUNTEERS** are fundamental to the success of our club, and it's an excellent way to give back. Consider sharing your time to help with one of our leagues or programs.

Sharing your knowledge and experience will help to continue the amazing growth we've seen recently in the sport of curling in Fort Saskatchewan. Welcoming and mentoring new curlers keep our club strong, vibrant, and builds a lasting foundation. Please contact Carol in the office at (780) 998-3372 to sign up for one (or more) of the available opportunities.

## Seeking League Representatives

As we prepare for the upcoming season curling season, we're looking to establish a League Representative for each of our leagues. Having a dedicated rep for each league helps us keep communication flowing smoothly between curlers and the office for such things as:

- relaying quick announcements or operations updates
- bringing forward questions, suggestions, or concerns
- providing feedback on ice conditions, schedules, etc.

Ensure your league's voice is heard throughout the season.

## Assist with Learn to Curl Programs

We have three wonderful opportunities to share your skills with our newer curlers:

- Junior Program - Sundays 4 - 5 pm/two 8-week sessions
  - assist head coach Dylan
- 8-Pack Program - Sundays 6:30 pm to 8:30 pm/two 8-week sessions
  - assist head coach Dylan
- School Bookings - Daytime/Instruct Fort Sask classes in the game of curling

## Join the Curling Committee

Have some great ideas for the club? Want to be a part of the future planning of our programs? Join the Committee to work with others that want the same thing you do - to see the Fort Sask Curling Club continue growing, and developing leagues and programs that meet the interests of our community. Committee meets approx. once a month or so. We'd love to have you join us!

## Sponsorship/Advertising Packages

The Fort Sask Golf & Curling Club has several amazing sponsorship/advertising options available at both the curling club and the golf course! Both locations offer highly visible spots for your company logo. Thousands of guests visit us every season and are guaranteed to see your support for local recreation!

## Gift Certificates?

Have a gift certificate stashed away in your wallet or tucked away at home? Did you know that club gift certificates can be used to pay for food, beverages, golf, and merchandise in the Pro Shop? They can also be redeemed at the Curling Club over the winter. Looking for the perfect gift for the golfers or curlers in your life? Look no further!

## Curling Club is Collecting Donations for a new Curling Trophy Case

The curling club is collecting donations to help with the purchase of a trophy case for our club trophies and various memorabilia. We have had many donations of curling related items that we have yet to display in a secure manner. We have found a used one locally but need your help! If you would like to help the club with this endeavor please contact Carol at the office. We thank you very much in advance for your support! And thank you so much to those that have already contributed!
