What's up?

April is a month of change. We say goodbye to curling and hello to golf! The office and clubhouse have packed up and moved across the street, back to the golf course. There are many updates and exciting things happening at the golf course this season that we are anxious to share with you. It won't be long now,, although you wouldn't know it based on this crazy weather!

President's Message

Hello everyone,

As we officially wrap up another fantastic curling season, I want to extend a heartfelt thank-you to all our curlers. Your energy, sportsmanship, and ability to laugh at yourselves when the broom went one way and the rock went another made this winter an absolute joy. And of course, a special shout-out to all the brave couples who survived another Sturling season still speaking to each other. We know there were... let's call them "spirited discussions" about who was right on the call. Somehow, despite all the times one partner was clearly wrong (and we all know who we're talking about), you made it with your relationship—and your sense of humor—intact. That's championship-level teamwork. We couldn't have asked for a better season—or better people to share it with.

And now... golfers, it's your turn. Welcome back! We're all staring at the snow with the same hopeful expression, willing it to melt just a little faster. If positive thinking counted as heat, we'd be teeing off tomorrow.

We have an exciting season ahead, including several brand-new events we can't wait to roll out. Our Men's and Ladies' Nights have already sold out—proof that enthusiasm is high and that you're all very quick on the "register now" button. Love to see it. Behind the scenes, we've also been busy with some updates to the kitchen and dining area. We're proud of the improvements and look forward to showing them off. They'll make a great backdrop for the welcome-back social we're planning to kick off the golf season. Stay tuned for details—there will be food, fun, and probably at least one person telling a story about a shot they almost made last year.

Update on Hole #8 Pond Restoration

Back in late February, we presented to City Council to request funding and support to stabilize and repair the pond at Hole #8. The City is currently assessing the project and associated costs, and a decision is scheduled for the April 28th council meeting. We will be sending out a notice encouraging all members to attend that meeting to show support. A strong presence in the room can make a meaningful difference. We'll also be sending an email with information you can forward—or use to craft your own message—to City Council. Member voices matter, and your advocacy will help influence the level of support we receive.

Thank you all for your continued passion, commitment, and community spirit. Whether you're sweeping, swinging, or simply cheering from the sidelines, you make this club what it is. We can't wait to get the season underway.

Warm regards,

Denise Unger
President, Fort Saskatchewan Golf & Curling Club

Mixed Bonspiel! - The Last Bonspiel of the Season

And that's it! The last bonspiel of the 2025-26 season is in the books! Thank you to everyone that joined us to wrap up the year at the Mixed Bonspiel. The competition was fierce, but the rink was filled with classic curling spirit! And a big thank you to the vendors that came out to support the club and share their talents. It was a fun day all around. Have a wonderful summer and watch for the 2026-27 bonspiels to be announced in the fall!

Thank you to all of our curlers, coaches, and volunteers for another great year at the Fort Saskatchewan Curling Club! We hope you have a wonderful summer and we look forward to seeing you again in the fall!

Watch for full registration information for the 2026-27 season to be released in August! We are currently accepting team deposits for next year.
