

What's up?

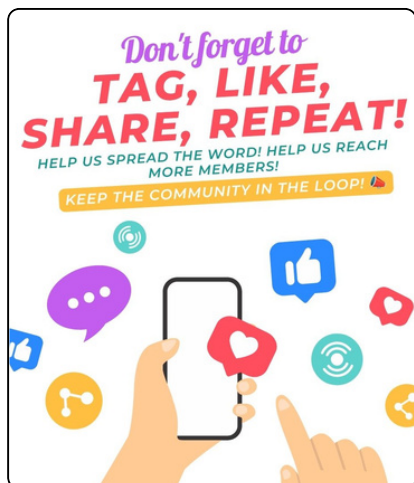

The time has come for us to say good-bye to another golf season 🥲. Mother Nature threw us a curve ball but the course has recovered well. The weather was so much better in September - thank goodness! We held our final 2026 tournament, and as we wrap up golf season, we start packing for our move to the curling club. We can't wait to see our curlers back on the ice again!

Office Closed for Move to Curling Club! 🚚

The club office will be closed on Tuesday, October 13th as we complete our semi-annual transition from the golf course to the curling club. Office will reopen at 9:00 am on Wednesday, October, 14th.

The 19th Hole

Thank to everyone that stopped by the 19th Hole this season! We loved seeing all of our regular members, and it was fantastic to meet so many new golfers this year! From welcoming the public, to club tournaments, to fundraising events, the clubhouse was a place of community and fun all season long! Don't be a stranger - stop by the clubhouse at the Curling Club to say hi, check out the winter menu, and watch some great local curling! Watch for food & beverage specials all winter!

Worker Bee

There is a lot to do to close up the course and winterize it so that it is in tip-top shape for next year. We are looking for some volunteers to help with some of the course cleanup. We are hosting a worker bee on **Saturday, Oct. 17th at 12:00 pm**. Please RSVP to Carol at (780) 998-3372 or fortsaskgolfcurling@shaw.ca to sign up.

Join the Board: Shape the Future of Your Club!

Want to contribute to the future of your club? We will be filling a few vacancies on the Board of Directors at our upcoming AGM in November. Serving on the board is a great way to share your talents, lend your voice, and support the ongoing success of our club community. More details on the nomination process will be shared soon. To find out more about this opportunity reach out to General Manager Adam or Club President Denise Unger.

Course Update 🚩

October rolls in and with it comes some great fall weather. The drier conditions we have been getting are exactly what we needed and have been very beneficial for the golf course. This time of year is all about helping the turf transition into dormancy and getting it prepared to handle the winter ahead.

There are a number of things we start changing as we move into fall. We raise the height of cut on the greens, adjust our fertility program, and make fungicide applications to help protect the turf as the weather changes. One of the biggest jobs we have coming up is core aerifying the greens. We do this after the golf course closes to minimize the impact on golfers, but it is an extremely important practice for the health of the greens. Core aeration helps improve air exchange in the root zone and removes some of the accumulated organic matter from the soil profile. This gives the roots a better environment and helps set the greens up for a healthy start when spring arrives. Probably the biggest step forward for the golf course this year is our winter protection program. We will be tarping **all nine greens, #1 through #9**. This is a major improvement over previous years and should greatly improve how the greens survive the harsh winter conditions we experience. The goal is simple: protect as much healthy turf as possible through the winter so that when spring arrives, we are starting from a much stronger position.

Looking back at the season, the golf course has taken a major step forward. There have certainly been plenty of challenges along the way, but the work the crew has put in has made a difference. Now our focus shifts toward getting everything prepared for winter and putting the course in the best possible position to come back strong next spring.

As always, thanks to everyone for their patience and support throughout the season. There's still a little work to do before we put the course to bed for the winter, but we are heading into it in a much better place.

President's Message

Last Rounds, First Rocks — A Big Thank-You to Our Members!

As we head into the final stretch of our golf season, I want to extend a heartfelt thank-you to all of our members for another tremendous year. Mother Nature certainly kept us on our toes with rain, more rain, and—just when we thought we'd seen it all—flooding. But in true FS Golf & Curling fashion, everyone powered through with patience, good spirits, and a determination to squeeze every bit of fun out of the season. The good news is we're wrapping things up with a run of beautiful fall weather. With October just around the corner, next week is looking sunny and above 15 degrees, so there's still time to get in those "just one more" rounds before the clubs go into hibernation.

We've been in close contact with the City regarding the Hole #8 stabilization project. The start date has been delayed by a week, which led us to make the decision to stay open a little longer. A huge thank-you to Adam and the staff for scrambling yesterday to make that happen—especially since moving day was originally set for October 7th. We'll continue to keep everyone updated as the project details are finalized.

August and September brought a flurry of golf tournaments, all of which were a great success. And yes... congratulations to Adam and his team on winning the President's Cup. I almost choked getting that out... LOL. Thanks as well to everyone who braved the cooler weather for the Last Chance Tourney—it turned into another fantastic event full of laughs and great memories.

Now our attention shifts to curling season, kicking off October 19th. I know many of you are eager to get back on the ice and start chasing rocks again. Most of our leagues filled up quickly this year, which is wonderful to see. All bonspiel dates are set, so keep an eye on the information Adam and the team are sending out—you won't want to miss your chance to register. We're excited to welcome all curlers back for another fun and competitive season.

See page 2 for details on the volunteer golf course clean-up worker bee — we're looking for a few helping hands as we put the course to bed for winter.

Our Annual General Meeting will be held in November, with the official date coming out shortly.

Thank you again to all our members for your support, your enthusiasm, and the community you help create every single season. Whether you're swinging clubs or throwing rocks, we're grateful to have you as part of our club.

President's Cup Tournament

The 2nd Annual President's Cup was a huge success – for General Manager Adam that is... Adam and his team squared off against reigning champion Club President Denise Unger, and Adam's team came away with the win. Congratulations to Team General Manager! It was a hard-fought two-day event, but there was some great competition and even better club spirit. Thank you to everyone that participated this year!

Last Chance Tournament

Thank you to everyone that braved a VERY windy day for the 2026 Last Chance Tournament. This last club event of the year is always a fun way to welcome fall and wrap up the golf season. Great friends, great competition!

Congratulations to the champions for 2026!

Welcome to the 2026-27 Curling Season!

Welcome to the 2026-2027 season of curling at the Fort Saskatchewan Curling Club! We are off to a fantastic start. We have many new members this year and most of our leagues are close to, if not full. We have seen an incredible revitalization of the sport here in Fort Sask, and that is a testament to the all of hard work of our volunteers, committee members, and board members. And a big thank you to YOU, our curlers, for your continued support and registrations, year after year!

The season kicks off on Monday, October 19th. League schedules will be sent out as the leagues are finalized (approximately a week or so before the first day). Read on for a whole lot of curling information!

Volunteers needed

VOLUNTEERS are fundamental to the success of our club, and it's an excellent way to give back. Consider sharing your time to help with one of our leagues or programs.

Sharing your knowledge and experience will help to continue the amazing growth we've seen recently in the sport of curling in Fort Saskatchewan. Welcoming and mentoring new curlers keep our club strong, vibrant, and builds a lasting foundation. Please contact Carol in the office at (780) 998-3372 to sign up for one (or more) of the available opportunities.

Seeking League Representatives

As we prepare for the upcoming season curling season, we're looking to establish a League Representative for each of our leagues. Having a dedicated rep for each league helps us keep communication flowing smoothly between curlers and the office for such things as:

- relaying quick announcements or operations updates
- bringing forward questions, suggestions, or concerns
- providing feedback on ice conditions, schedules, etc.

Ensure your league's voice is heard throughout the season.

Assist with Learn to Curl Programs

We have three wonderful opportunities to share your skills with our newer curlers:

- Junior Program - Sundays 4 - 5 pm/two 8-week sessions
 - assist head coach Dylan
- 8-Pack Program - Sundays 6:30 pm to 8:30 pm/two 8-week sessions
 - assist head coach Dylan
- School Bookings - Daytime/Instruct Fort Sask classes in the game of curling

Join the Curling Committee

Have some great ideas for the club? Want to be a part of the future planning of our programs? Join the Committee to work with others that want the same thing you do - to see the Fort Sask Curling Club continue growing, and developing leagues and programs that meet the interests of our community. Committee meets approx. once a month or so. We'd love to have you join us!
