It won't be long now!

President's Message

As we wrap up another successful curling season, it feels like the perfect moment to reflect on just how much we've accomplished together. This year has been one of growth, improvement, and renewed energy across our curling community.

We introduced new TVs to give viewers a clear view of the far end of the rink, added much-needed storage solutions for our equipment, and continued to enhance the welcoming atmosphere that makes our club feel like home. We expanded our bonspiels, strengthened our leagues, and saw tremendous momentum in our junior programs—something we are all incredibly proud of.

None of this would have been possible without the dedication of our Curling Committee. Their tireless volunteer hours, thoughtful planning, and unwavering commitment have been at the heart of every improvement. To each of you: thank you. Your efforts are noticed, appreciated, and deeply valued. The success we are seeing today is a direct reflection of your work.

Looking Ahead to Golf Season

On February 10, we presented to the City Council regarding the much-needed pond repairs on Hole #8. Council was receptive to our request and engaged in a productive discussion about the importance of this project. They are now reviewing the details, and we expect to hear back in March regarding their decision. We will keep all members updated as soon as we receive further information.

You may also have heard about some of the clubhouse updates underway, thanks to the hard work of our board members and volunteers. A shout out to Mike Ferris for spearheading. These improvements are part of our ongoing commitment to creating a better experience for everyone who walks through our doors.

We also recently hosted a volunteer appreciation event. To all who give their time, energy, and heart to this club—thank you. We heard your feedback and will look at scheduling future events when more people are able to attend.

Spring is just around the corner, and we are excited to welcome everyone back to the golf course. With the momentum of a strong curling season coming to an end and exciting projects ahead, 2026 is shaping up to be a fantastic year for our club.

Your President,

Denise Unger

Dave Weir Memorial Stirling Bonspiel

Thank you to all that joined us for the Dave Weir Memorial Stirling Bonspiel, and congratulations to "A" Division winners Brian Shackleton and Wes Serna! And congratulations to all of the other division winners and runner-ups! Funds raised from draws will be used towards junior golf programs, which was important to Dave, per the Weir family's wishes. Dave Weir was a member of both the curling and golf sides of the club for many years. He was a bright light, with a big smile and a wonderful sense of humor, that we would get to see almost every day, year-round. Dave touched many people and is dearly missed.
